

NEWSLETTER September, 2026

Monthly club meeting will be Tuesday evening September 8, 6:30, at the field weather permitting. Come early and fly. Keep an eye on email and FB for any cancellation.

Here are a few of the new planes that have shown up at the field lately.

Joel just bought this Otter and he already flies it alike a pro.

Grant flew this electric glider for the first time last week. 4 cell, 4,500

A normal morning at the field. Lots of activity lately.

Ethon Anderson training on the an Aro Scout.

Two Cessnas on the pavement. The larger one has been weathered to look like an old plane.

These three were flying the gas models together Saturday. A lot of noise and a lot of fun.

Fred took it upon himself to put a bulletin board up for sales, etc.

Grant flies one of Don Perry's big planes, the Robin Hood.

Grant and John flying their jet together at our field.
