

NEWSLETTER October, 2026

Club meeting will be Tuesday evening October 13, 6:30, at the field weather permitting, with pizza as long as it lasts. Come early and fly. Keep an eye on email and FB for any cancellation.

We need everyone that can to help set up the tables for the swap meet at the armory in Murfreesboro starting at 2:00 PM, November 13.

After the tables are set up, we will be allowed an additional hour for early setup for those who have already paid for a table or two. Please help!

Tom Buida gave away several airplanes to our young navigators this past month, and one to give as a prize in our upcoming Great Pumkin Fly-in November 31. Thanks Tom

Grant Rozell and John Morgan have been elected by the club officers to head up a new movement in our club called, Young RC Flying Aces. They will be concentrating on conducting fun events that the club can do to attract and encourage young men, or girls, to join our exciting hobby. In other words, Grant, with the oversight of John will function as our youth director. This should be interesting since we have several young fliers who do well in the air. The more the better. Next year could be our best year ever. Grant turned 15 two weeks ago.

Wess with his new FMS Pitts. That makes three Pitts in the club.

Two more planes Tom gave away at our field. He still has a lot to fly.
